### Erratum to: J Incl Phenom Macrocycl Chem DOI 10.1007/s10847-009-9544-7

Unfortunately, the first reference in the reference list at the end of this paper was lost during its preparation. It should read:

1. Freeman, W.A., Mock, W.L., Shih, N.Y.: Cucurbituril. J. Am. Chem. Soc. **103**, 7367–7368 (1981). doi: [10.1021/ja00414a070](https://doi.org/10.1021/ja00414a070)

Because of this omission one number should be added to all other references in the reference list. Reference 36 (Tao et al. 2004) is then referred to in the second sentence of the third paragraph of the section entitled “Crystal structure determination of the inclusion complex TMeQ [6]-g2 and g3 · HCl”.
